

Adaptive online learning platform for grades K - 8

Introduction to ScootPad™ For Parents

Fully Automated

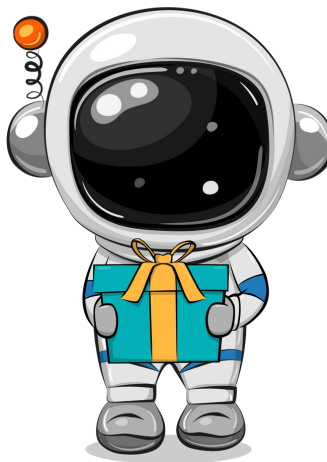

Students get continuously personalized practice generated by our adaptive algorithms.

Parent Portal

Stay informed of your child's progress with real-time insights and reports.

Online Homework

ScootPad makes submitting homework fast & fun. No late or forgotten assignments.

Adaptive eBooks

Students can read hundreds of eBooks with built-in quizzes. No downloads required.

Engagement

Students are motivated and engaged on ScootPad with built-in gamification features.

Tech-friendly

You and your kids can log in 24/7 from any desktop, tablet, or iPad!

“ ScootPad adapts to each student's learning and allows me to keep students engaged and progressing while pinpointing areas of greatest need. ”
-Cindy P., Title I Interventionist, KS
