

TOP 10 WAYS

TO USE

FOR PARENTS

1

Learn about how ScootPad works to ensure your child masters every concept

6

Ignite your child's love of reading by assigning fiction and non-fiction eBooks

2

Ask your child's teacher to have a free parent account

7

View reports and stay up to date with your child's achievements and struggles

3

Help your child practice regularly outside of the school day

8

Stay in the loop with automated reminders and classroom announcements

4

Motivate and challenge your child to exceed their goals in each class

9

Review your child's work from anywhere while they are doing it in real-time

5

Encourage your child to watch the videos presented during practice

10

Celebrate your child as they achieve mastery and receive bonus coins in ScootPad
