ScootPad
ADAPTIVE LEARNING PLATFORM

GETTING STARTED
FOR PARENTS

1

SIGN UP FOR AN ACCOUNT

Go to scootpad.com/signup and select **Parent.**
You will receive an email from us once your email is verified.

2

LINK YOUR STUDENT'S ACCOUNT

If your student does not have an existing account, click the **+ Create New Student** button from your **Parent Dashboard** to create a new student account.

Otherwise, select the **Link Student** button and enter the user ID and password of the existing account.

3

ENROLL YOUR KID(S) INTO A CLASSROOM

Teachers need to share their **Class Code** with parents.

Here is how parents can help kids join a class using the **Class Code**.

Parents must sign into ScootPad using their email address and password. You will see your student and his/her login information listed.

1. Click on the **Enroll in Classroom** button in the bottom right of your student's information.
2. Enter the **Class Code** and click **Enroll**.
3. Student will be enrolled in the class.

If your student is not using ScootPad with any teachers at their school, you will need to set up **SimplyAdaptive** to access the classroom features.

For more training resources, please visit our training page at www.scootpad.com/training
